Donna Lee Barnes   12/3/14

Chrome book presentation:

1. Open apps in top right corner(looks like box made of dots).
2. Open Google Drive(looks like a triangle).
3. Go to "Create"box on left . Open it.
4. Choose and open "Presentation" folder.
5. Title new "Presentation".
6. Choose and open a theme.
7. Complete slides with pertinent information.
