Its Time Recognize...

Assignment

Quiz Grade

Using the photos and class discussions as your inspiration you are going to write a letter to BOTH of your U.S. State Senators. (Robert Menendez & Cory Booker) The letter should be dated October, 1915. The focus should be on imploring the United States to do something about the unfolding human rights catastrophe taking place in Turkey against the Armenian population. You should be descriptive in what you write, in an effort to convey just how desperate the situation is. At the end of the letter include a small paragraph explaining that this was a class assignment, and although you understand that nothing can be done now to stop the genocide that its recognition is just as important as stopping the genocide in 1915.

- * The letters will be sent via email using your Google Chrome Book or Personal Smart Device*
- * Congressional contact information can be located on my Google Classroom page as well as on this page*
- * Also be sure to forward a copy of your letter to my email address vernacip@middlesex.k12.nj.us*
