3<sup>rd</sup> MP – Technology Lesson

Create Google Doc Discussion for Bozeman Sliding Filament Theory

**TEACHER:**

- Click “My Drive” top LEFT
- Select “Create”
- Select “Folder”
- Choose classroom folder (already created) “ Junior Health QTR3 PER1”
- Create a google document titled “Sliding Filament Theory”
- students have viewed the video in class and been a part of a hands on demonstration.
- Copy and paste the URL from Bozeman youtube video :

<https://www.youtube.com/bozeman.com>

Students will try to come up with a creative way to demonstrate the sliding filament theory like the demo we did in class.

**STUDENTS:**

- Select “share with me”
- Select classroom folder
- Select document titled “Bozeman Sliding Filament Theory”
- Follow instructions for assignment.

-
