

## Add An Image to Presentation

Technology # 2

Bonnie Simpf

1. Go to slide where technology # 1 left off.
2. Go to Insert - top of screen - Click
3. Then go down to Image - Click
4. Then proceed to Google - Search  
Type in topic of image you are looking for
5. Once you have searched and found the image you want, click on Select and now you have an image on your slide
