Subject: 2nd Marking Period Technology Lesson

Mr. Sabato asked that I contact you. Please turn in your second technology lesson as discussed at the January faculty meeting with a due date of February 6, 2015. If you have already turned in your lesson and are receiving this email in error, please let me know. You may send it electronically or in hard copy form. Should you have any concerns, please do not hesitate to contact the office. Thank you.

Tech presentation- 2nd marking period

Screen shots for interactive lessons

- Open the adobe file containing the worksheet that had previously been printed for students
- Select file ->screen shot
- Create “box” with mouse to select screen shot picture
- Once selected it automatically copies then paste to word document
- This word document can then be brought up on eno board
- The students see exactly what is on their worksheet
- Create “game” where students can come up and fill in worksheet on the board
- All students will be able to compare what’s on the board to what is on their paper

See example below
